

## Weather Emergencies

Rarely is it necessary for the superintendent or designee to close or delay school. It is our priority to make decisions that create the safest possible situation for students, parents/guardians, and staff, while recognizing the difficulties brought about by any change in a normal schedule. When weather conditions appear severe enough that you suspect school might be closed, listen to the following radio and television stations. Announcements will be made as soon as the decisions are reached.

- |             |       |           |            |
|-------------|-------|-----------|------------|
| 1. KCBD     | TV    | Lubbock   | Channel 11 |
| 2. KAMC     | TV    | Lubbock   | Channel 28 |
| 3. KLVT AM  | Radio | Levelland | Dial 1230  |
| 4. KLLL FM  | Radio | Lubbock   | Dial 96.3  |
| 5. KKCL FM  | Radio | Lubbock   | Dial 98.1  |
| 6. KLBK     | TV    | Lubbock   | Channel 13 |
| 7. KJTV Fox | TV    | Lubbock   | Channel 34 |

In addition to the media being notified, you will be notified through a **SchoolMessenger** message. If possible, the school website will be updated to reflect the altered schedule. The information will also be available at the Lubbock Avalanche Journal online at the following website: [lubbockonline.com](http://lubbockonline.com)

A typical delay would be to start school at 10:00 a.m., with no buses running and no breakfast served. Start and end times may vary depending on the conditions.
